

Carolina In The Morning Key: C

Dean Martin

Verse 1

C **Cmaj7**
Nothing could be finer
Am **Edim7** **G** **G7**
Than to be in Carolina in the morning
Dm **Aaug/D**
No one could be sweeter
Dm **G7**
Than my sweetie when I meet her
Adim7 C
In the morning

Chorus

F **C**
Where the morning glories
F **C**
Twine around the door
D7 **G**
Whispering pretty stories
D7 **G** **G7**
I long to hear once more

Verse 2

C **Cmaj7**
Strolling with my girlie
Am **Edim7** **G** **G7**
Where the dew is pearly early in the morning
Dm **Aaug/D**
Butterflies all flutter up
Dm **G7** **Adim7 C**
And kiss each little buttercup at dawning

Bridge

C **C7**
If I had Aladdin's lamp for only a day

I'd make a wish and here's what I'd say

Nothing could be finer
C **Adim7** **G7 C**
Than to be in Carolina in the morning

Chorus

F **C**
Where the morning glories
F **C**
Twine around the door

Whispering pretty stories
D7 **G**
I long to hear once more
