## [Verse 1]

E  
They sat together in the park  
Emaj7  
As the evening sky grew dark  
E7  
She looked at him and he felt a spark  
A  
Tingle to his bones  
Am  
'Twas then he felt alone  
E B A  
And wished that he'd gone straight  
E B E  
And watched out for a simple twist of fate

## [Verse 2]

E  
They walked along by the old canal  
Emaj7  
A little confused, I remember well  
E7  
And stopped into a strange hotel  
A  
With a neon burning bright  
Am  
He felt the heat of the night  
E B A  
Hit him like a freight train  
E B E  
Moving with a simple twist of fate

## [Verse 3]

E  
A saxophone someplace far off played  
Emaj7  
As she was walking on by the arcade  
E7  
As the light bust through a beat-up shade  
A  
Where he was waking up  
Am  
She dropped a coin into the cup  
E B A  
Of a blind man at the gate  
E B E  
And forgot about his simple twist of fate

## [Instrumental]

Am E B A E B E

## [Verse 4]

E  
He woke up, the room was bare  
Emaj7  
He didn't see her anywhere  
E7  
He told himself he didn't care  
A  
Pushed the window open wide  
Am  
Felt an emptiness inside  
E B A  
To which he just could not relate  
E B E  
Brought on by a simple twist of fate

## [Verse 5]

E  
He hears the ticking of the clocks  
Emaj7  
And walks along with a parrot that talks  
E7  
Hunts her down by the waterfront docks  
A  
Where the sailors all come in  
Am  
Maybe she'll pick him out again  
E B A  
How long must he wait  
E B E  
One more time for a simple twist of fate

## [Verse 6]

E  
People tell me its a sin  
Emaj7  
To know and feel too much within  
E7  
I still believe she was my twin  
A  
But I lost the ring  
AAm  
She was born in spring  
E B A  
But I was born too late  
E B E  
Blame it on a simple twist of fate
