Capo 3

Am C G Am
Take me to a rivertown where you can't tell night from day
Am C G Am
Everythings forgiven that did not wash away
Am C G Am
Where dreaming comes too easy, livings twice as hard
Am C G Am
And everything is burried, beneath the water and the stars
Am C G Am
Yeah I am from Corsican', wayward on the storm
Am C G Am
I've been rolling empty sevens since the day that I was born
Am C G Am
I've got no rings upon my fingers, no ink beneath my skin
Am C G Am
I'll be as clean going out as I was coming in

CHORUS

F C G Am
I'm gonna wash my sins in the Angilina river
F C Em
When all that she can take from me, is all that I can give her
F C G Am
And time will bring you down, and time will make you cold
Am C G Am
I've turned my back some time ago, and now I'm going home

Am C G Am
Well I wondered through the pine trees like an outlaw in the rain
Am C G Am
I rambled through big thicket with a pistol and my name
Am C G Am
Run away restless angels, don't waste your love on me
Am C G Am
Just lay me down in a river town, and home is where I'll be

CHORUS

INSTRUMENTAL BREAK

Well take me to the rivertown where you can't tell night from day
Everythings forgiven that did not wash away
