Ukulele Chords

Intro:

C

C G
I could be as happy as a sardine in a can

F G
Long as I got my woman

C G
I could run stark naked and live in and old oak tree

F G
Just as long as she's with me

C F G C
My woman.

C G
The cannibals can catch me and fry me in a pan

F G
Long as I got my woman

C G
I could get the electric chair for a phony rap

F G
Long as she's sittin' in my lap

C F G C
My woman.

G
I'd run a mile, just to see her smile

F
And put her lovin arms, around my neck

Aw heck

G
My spine starts a tingling, and bells start a ringling

F G
When she's with me, can't you see.

C G
They could torture me and stretch me like a rubber band

F G
Long as I got my woman

C G
I could jump off a cliff and never have no fear

F G
Just as long as she is near

C F G C
My woman.
